### Cross Country

The blue team had another narrow victory in the cross country. The students weaved between the sprinklers on the world's first primary school steeplechase course. Thanks to Miss Natasha for her brilliant organisational skills.

The teachers versus students tug of war.....the teachers lost! Shame!

### Attendance Parade

The end of year culminated in the final attendance parade. The school celebrated the fantastic work of the students and rewarded those students who attend regularly with a power card, meat tray or in the case of one lucky school attender—a bike. This would be impossible without the wonderful support the school receives from the coffee shop. A very generous donation of power cards will make a merry Christmas and a happy new year to many families who send their kids to school everyday. Thanks Coffee Shop—absolute champions!
